- Experience with professional photo gear and equipment including Cannon, Sony, Speedotron, PocketWizard, and Einstein.
- Programs and software knowledge of Lightroom, Camera Raw, and PhotoMechanic.
- Interned at one of the world's largest advertising agencies on the only in house photo production team.

## EXPERIENCE

### SPORTS PHOTOGRAPHER

AUGUST 2021 - PRESENT

UNIVERSITY OF TENNESSEE | Knoxville, TN

Creating engaging images and content at various athletic department events used for social media accounts, website, merchandise, and print advertisements.

- Photographing an average of 2 sports games a week including basketball, baseball, and football, as well as producing athlete photoshoots, and event coverage for ceremonies and banquets.
- Managing end-to-end process from photographing, selecting images, retouching files, and exporting jpegs for multiple platforms.
- Live transmitting files for immediate use keeping audience up to date with game information.

### PRODUCTION & PHOTOGRAPHY INTERN

JUNE 2022 - AUGUST 2022

PUBLICIS GROUPE (XPX, Formerly known as THEPUB PRODUCTIONS) | Chicago, IL

Anticipated needs of photographers and producers on and off set for clients like ALDI, Kellogg's, Mattel, Intel, Cadillac, and Goldfish.

- Assisted photo production team in the creation of call sheets and pre-production books, helped gather forms from freelancers on set, managed lunches for crews, and organized data and information for new calendar system.
- Worked with photography assistants and prop stylists to construct large sets and rig lighting equipment for advertising photo and video shoots while keeping 3,000 sq-ft studio organized and safe for crews.
- Shadowed retouchers, producers, digital techs, and photographers providing a well rounded understanding of a photo production company in an agency environment.

### SPORTS PHOTOGRAPHER

JUNE 2023 - AUGUST 2023

GLOSSY FINISH | Pigeon Forge, TN

Working with a team of photographers to cover little league baseball to the highest degree for consumers

- Took action photographs of ages 9-13 for 12 hours a day
- Assisted in the production for photo days
- Worked with customers to get complete satisfaction for their purchase
